

**Table 1B. Review Categories for Inland Activities (Section 320 and Section 325)**

| <b>Alteration or Activity</b> | <b>Review Category</b> |
|-------------------------------|------------------------|
|-------------------------------|------------------------|

***Statewide***

|                                                                                         |   |
|-----------------------------------------------------------------------------------------|---|
| Power-generating plants (excluding facilities of less than a 40-megawatt capacity)      | B |
| Petroleum storage facilities (excluding those of less than 2,400-barrel capacity)       | B |
| Chemical or petroleum processing facilities                                             | B |
| Minerals extraction                                                                     | B |
| Sewage treatment and disposal facilities (excluding individual sewage disposal systems) | B |
| Solid waste disposal facilities                                                         | B |
| Desalination plants                                                                     | B |

***Extending Onto Coastal Feature or Contiguous Area***

|                                                              |                  |
|--------------------------------------------------------------|------------------|
| Subdivision, co-operative, or other multi-ownership facility | A/B <sup>1</sup> |
| 40,000 square feet of impervious surface                     | A/B <sup>2</sup> |

***Critical Coastal Areas***

|                                                                          |                  |
|--------------------------------------------------------------------------|------------------|
| Subdivision, co-operative, or other multi-ownership facility             | A/B <sup>1</sup> |
| 20,000 square feet of impervious surface                                 | A/B <sup>2</sup> |
| On-site sewage disposal system serving more than 2,000 gallons per day   | A/B <sup>2</sup> |
| Extension of municipal or industrial treatment facilities or sewer lines | B                |
| Water distribution systems or the extension of supply lines              | A/B <sup>2</sup> |

**Footnotes**

<sup>1</sup>*For residential subdivisions a Category "A" review may be permitted provided that the proposed subdivision is less than six (6) units.*

<sup>2</sup>*Determined based on the application of other requirements (e.g., Table 1 or 1A) or at the discretion of the Executive Director.*
